2. New Items

2.1. 2018-2019 Strategic Budget Update

2.1.1. Following count day, there is enough to add two teaching positions: One for kindergarten and one for either first or second grade. Recommendation is to hire two CTT positions and buy out the preps for first and second grade instead of one teacher for either. CTTs will be used to assist with teachers as needed. The cost of two CTTs and prep buyouts is equivalent to the cost of one licensed teacher.
