Dear Parents:

Sincerely,

Jan Jones Blackhurst Elementary School is pleased to announce an opportunity for preschool children within our community, four years of age. This unique experience will provide age appropriate preschool instruction for the children, while being included in a learning environment with young exceptional children with Autism Spectrum Disorder. This opportunity will enable your child to receive valuable, age-appropriate instruction, as well as, provide the students with disabilities, age appropriate role models.

We are looking for children who have age appropriate language and behavior. The children must be toilet trained and must have demonstrated that they are able to be away from home for a day without duress. Parents will be required to transport their child to and from school and must ensure that consistent attendance occurs with the exception of illness.

The program will be offered **Monday through Friday** from 8:00 am – 2:11 pm. Joy Myers will be instructing the students and will be assisted by two instructional assistants. Enrollment is limited in an effort to maintain an appropriate class size. Students will be selected through a "lottery" system. If your child is selected, registration information is required and updated immunization records and a copy of the birth certificate must be provided. If you are interested in your child participating in this learning experience, please complete the bottom portion of this letter and return it to the school office between **Friday**, **March 18**, 2022 and **Friday**, **March 25**, 2022. The drawing of names will be conducted and you will be notified if your child is selected on **Monday**, **March 28**, 2022. Unfortunately, we will not be able to notify you if your child is not selected. Applications to enter the lottery system for our, four days a week, half-day Preschool Program will be available following the selection of the full day program students..

Thank you in advance for your interest. Please feel free to contact me at 702-799-1252 if you have any questions.
